MASTERS OF WISDOM & MEDITATION
TEACHER TRAINING

The davidji Meditation Academy is committed to supporting those who serve their communities and making our teacher training accessible to individuals who may not otherwise be able to enroll due to financial circumstances.

We are honored to offer the Law Enforcement, Military & First Responders Scholarship to active and veteran members of the law enforcement, military and first responder communities who have a sincere desire to deepen their meditation practice and share the benefits of meditation with others.

Those who serve and protect others often experience unique demands, responsibilities and challenges. This scholarship recognizes their service while supporting individuals who want to explore how meditation can create greater presence, resilience, balance and connection in their own lives—and potentially within the communities they serve.

Scholarship applications are evaluated based on financial need and the established scholarship criteria. Shortlisted applicants may be invited to meet with members of the davidji Scholarship Committee.

About The Scholarship

One Law Enforcement, Military & First Responders Scholarship, valued at $2,450., is awarded for each Masters of Wisdom & Meditation Certification cohort and provides partial tuition toward the 12-week training – including the online student dashboard, weekly lessons, videos and meditations, live weekly webinars, study groups, course manual, a one-on-one session with davidji and the full Virtual Certification Week.

Upon certification, the recipient will also receive the benefits available to our community of Certified Teachers, including access to the Teacher Portal and invitations to our monthly all-teacher webinars.

Please note: The remaining tuition balance, required books and other incidental expenses are not included in the scholarship.
