

Marianne Pagmar Memorial Scholarship
davidji Masters of Wisdom & Meditation Teacher Training

The davidji Meditation Academy is committed to making our teacher training accessible to individuals who have a sincere desire to deepen their practice and share the benefits of meditation with others, but who may not otherwise be able to enroll due to financial circumstances.

We are honored to offer the Marianne Pagmar Memorial Scholarship, created to carry forward the spirit and legacy of Marianne Pagmar.

Marianne was trained and certified by davidji as a Masters of Wisdom & Meditation Teacher and understood firsthand the commitment, dedication and trust involved in taking one's meditation practice – and life – to the next level. Known for her enormous heart, her continuous quest for truth, love and healing, and her ability to bring out the best in those around her, Marianne lived life fully.

This scholarship is offered to residents of Sweden and individuals of Swedish descent who have an established meditation practice, leadership potential, and a desire to inspire and support others through meditation. Preference is given to applicants who intend to use their training to help expand the practice and teaching of meditation in Sweden and, in doing so, carry Marianne's legacy forward.

Scholarship applications are evaluated based on financial need and the established scholarship criteria.

Shortlisted applicants may be invited to meet with members of the davidji Scholarship Committee.
